

## Worcester Bravehearts 2025 Media Internships

The Worcester Bravehearts Baseball Team has developed an intensive internship program that prepares its participants for a career in sports. Students who intern with the Worcester Bravehearts immediately become part of the gameday staff, learning the different aspects their own department, as well as the every day functions of the team. We help our interns succeed by preparing for and learning from actual situations at the ballpark which are discussed daily. The Bravehearts offer two internship paths in media:

### **Broadcast Media Internship**

The Worcester Bravehearts Broadcast Media Internship focuses on the production and execution of the team's home broadcasts on the Futures League Network. Some aspects of this internship include:

- Public Address Announcing
- Set-up and breakdown of broadcast equipment
